## WHAT'S NEW AT NATAVI

*Natavi chosen to be a featured business in the TV show "World's Greatest"*

The TV Show called "World's Greatest" has been on the air for 17 years featuring unique items and businesses around the world. What is great about this show is it prides itself on highlighting the positive and making sure the audience can connect with and understand the companies behind products people use every single day. The show is entertaining while it educates. This year it has selected to feature Natavi!

What an honor and privilege to have our business showcased and show the world what a phenomenal service we provide to our clients. We couldn't be more ecstatic for this journey to begin and everything it may have to offer us. Filming will begin in April. We do not have a date yet on when it will air.

So be aware of a lot of changes coming to Natavi and have patience with us (as you always do) as you go with us on this journey.

**Natavi has been nominated and approved for 2023!**
