

### *When do you register and when do they start?*

Summer Registration is currently open to everyone. To register please call or stop by the front desk when you are at lessons.

Summer classes will then begin on Tuesday, May 30<sup>th</sup>. Please make sure you mark your calendars, check your parent portal, whatever you need to do to make sure you have the correct start date.

If you have a child who is currently enrolled now and want to start another one, you can enroll them at the same time. However, if they are over the age of 5, they will need to do a swim assessment to determine what class they need to be in.

If you are coming back to us, that's great! However, if it's been over 3 months, your children will need to do an assessment as well. Assessments (also called "leveling") are usually done on Saturdays. We do have times available during the week by appointment. Call to get it scheduled as soon as possible. We would love to have you back.

Remember our summer schedule has day time lessons!

### **CPR and First Aid Class**

We have changed the date to Wednesday, May 10<sup>th</sup> at 4:00pm. Pre-registration is required. If you are interested, please call us at 515-300-3282 to sign up. You will get your certificate of completion at the end of the class.

### **Leaving Your Children Is Against the Rules!!**

Parents are required to be at Natavi during lesson. Please do not drop off your children and then run to the store, run an errand, etc. Parents are to remain in/on the premises.

There are changing stations in every bathroom for your convenience. Please do not use tables to change your baby's diaper as it is unsanitary. We do have instructors who sit at our tables and eat, as well as clients. We do our best to keep Natavi clean.
